

## Edit University Information Page

And admin can use the dropdowns to carry out certain tasks. They can click on the change password dropdown and follow the prompts to change the account's password:

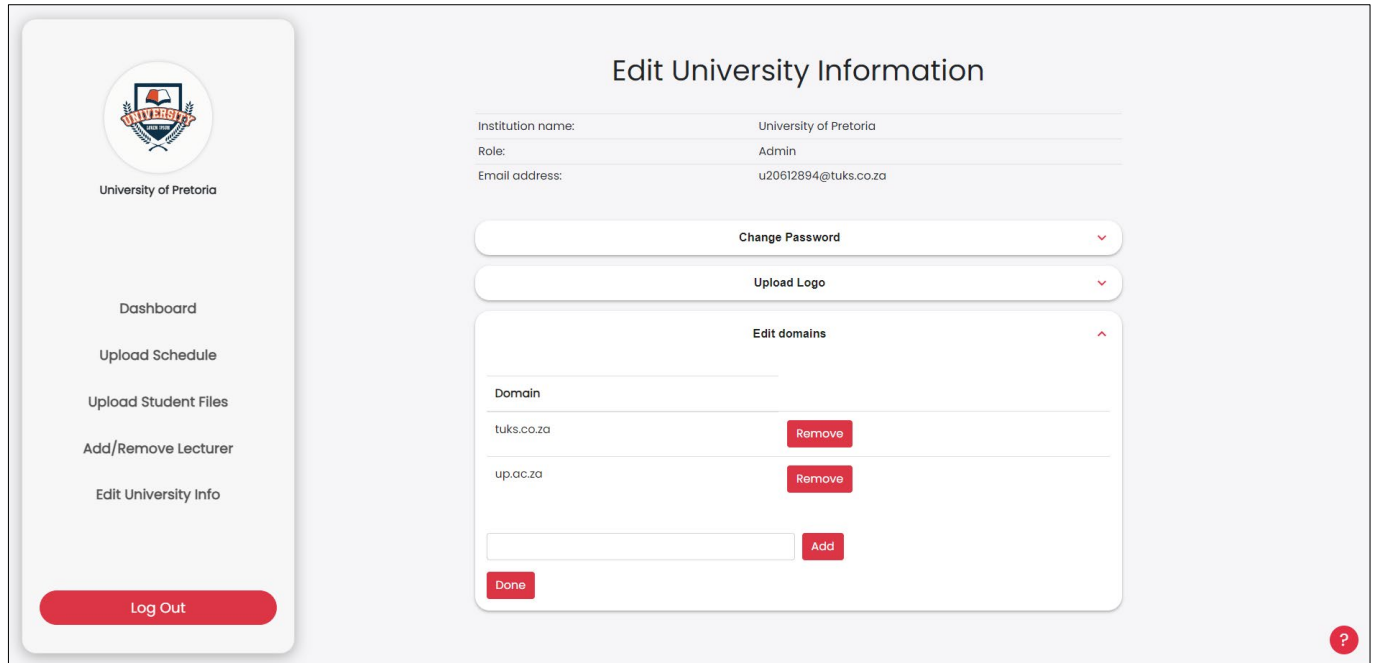

The screenshot shows the 'Edit University Information' page. On the left is a sidebar with the University of Pretoria logo and navigation links: Dashboard, Upload Schedule, Upload Student Files, Add/Remove Lecturer, Edit University Info, and a red 'Log Out' button. The main content area has the title 'Edit University Information' and a form with the following fields: Institution name (University of Pretoria), Role (Admin), and Email address (u20612894@tuks.co.za). Below these is a 'Change Password' dropdown menu that is expanded, showing three input fields: 'Old password:', 'New password:', and 'Confirm password:'. A red 'Update' button is at the bottom of this dropdown. Below the password form are two more dropdowns: 'Upload Logo' and 'Edit domains'. A red question mark icon is in the bottom right corner.

The admin can click on the upload logo dropdown and drag and drop the image which they would like to be displayed for the views related to their institution.

This screenshot shows the same 'Edit University Information' page, but with the 'Upload Logo' dropdown menu expanded. The sidebar and top form fields remain the same. The expanded 'Upload Logo' dropdown shows a dashed rectangular box with the text 'Drag and drop your file here or click here to select a file.' Below it is the 'Edit domains' dropdown. The red question mark icon is still in the bottom right corner.

Finally, an admin may also add and remove domains which will be used for verification, for example the University of Pretoria has the “.up.ac.za”and “.tuks.co.za” domain. This will be used to verify users emails (that they belong to the institution) upon account creation.

The screenshot displays the 'Edit University Information' page. On the left is a sidebar for the 'University of Pretoria' with a logo and navigation links: 'Dashboard', 'Upload Schedule', 'Upload Student Files', 'Add/Remove Lecturer', and 'Edit University Info'. A red 'Log Out' button is at the bottom of the sidebar. The main content area is titled 'Edit University Information' and contains three sections: 1) 'Institution name: University of Pretoria', 'Role: Admin', and 'Email address: u20612894@tuks.co.za'. 2) A 'Change Password' button with a dropdown arrow. 3) An 'Upload Logo' button with a dropdown arrow. Below these is an 'Edit domains' section with a table of domains: 'tuks.co.za' and 'up.ac.za', each with a 'Remove' button. At the bottom of the domain section is an 'Add' button next to an empty input field, and a 'Done' button. A red help icon (?) is in the bottom right corner.

Edit University Information	
Institution name:	University of Pretoria
Role:	Admin
Email address:	u20612894@tuks.co.za
<div>Change Password</div>	
<div>Upload Logo</div>	
<div>Edit domains</div>	
Domain	
tuks.co.za	<div>Remove</div>
up.ac.za	<div>Remove</div>
<input type="text"/>	<div>Add</div>
<div>Done</div>	

The admin can logout at anytime by clicking the logout button on the left.
