

Edit Personal Information Page

Information such as the Lecturer's name (for example, in the case of a surname change) and email address can only be changed via Institutional Admins updating them in the lecturer database, and thus can only be done through contact with an admin. A lecturer can however change their password from this page, by clicking on the dropdown and following the prompts to update it.

Update

Although it needn't be pointed out, the lecturer can logout at any time from the nav bar.
